Royal Engineer officers under the 1904 conditions of service must elect within three months of their arrival in India whether they desire to subscribe for benefits under these regulations. Should they elect to subscribe they will be liable for the special donations prescribed in the Appendix,§ and must submit satisfactory medical certificates. On reversion to the Imperial Establishment they can remain subscribers only if they have qualified for pension under Indian Army Regulations, in which event they may elect to continue subscription or to withdraw, the exercise of the option being final. If they do not within three months of their reversion to the Imperial Establishment notify their intention of continuing subscription they will be regarded as having withdrawn and their dependants will cease to have any claim to benefit under these Regulations.

In the event of withdrawal either on reversion to the Imperial Establishment as above or after retirement on a pension awarded under Indian Army Regulations, married officers and widowers with children will be entitled to refunds as prescribed in Article 28 for retired officers, but no refund will be made in respect of unmarried subscriptions or of risks which have terminated by death or otherwise.

* Officers of the Indian Army become subscribers from the date of the *Gazette of India* announcing their admission to that army; Medical Officers and Chaplains from the date of their arrival in India or, in the case of a Chaplain resident in India, from the date of his appointment.

† Reckoned from date of first commission with the following exceptions, namely:—

(a) Officers of the Indian Army who have been specially permitted to reckon towards promotion any service previous to the date of first regular commission include all service which counts for promotion.

(b) Officers appointed to the Indian Army from the Royal Marines are allowed to reckon service only from the date from which the periods for promotion are reckoned.

Established 1st January, 1915.

SELECTIONS FROM THE REGULATIONS FOR THE PROVISION OF PENSIONS FOR THE WIDOWS AND ORPHANS OF MILITARY, MEDICAL, MARINE, AND ECCLESIASTICAL OFFICERS IN THE SERVICE OF THE GOVERNMENT OF INDIA.

The Secretary of State for India in Council reserves to himself the absolute right to modify from time to time the contributions to be required from officers and to make any alterations in the regulations that may appear to him equitable; provided that no reduction shall be made in the benefits payable to any person already in receipt thereof, other than the withdrawal or reduction of any increase granted temporarily, shall not be reduced in the case of actual incumbent.

The following regulations are designed to secure suitable provision for the widows and orphans of officers of the Indian Army, officers of the Indian Medical Service, Executive and Engineer officers of the Royal Indian Navy, and Chaplains of the Indian Establishment, not being subscribers under the Indian Military Service Family Pension Regulations; also of officers of the classes detailed in para. 3 (1) of these Regulations, who, not being subscribers under the Indian Military Service Family Pension Regulations, elect to subscribe to this Fund.

(3). Indian Army officers subscribing under these Regulations who are transferred to the Royal Corps of Signals and continue to serve in India under the 1926 conditions of service may, at their option, continue subscription or withdraw. On transfer to the Imperial Establishment such officers can remain subscribers only if (a) they were transferred from the Indian Army or (b) they have qualified for pension under Indian Army Regulations. In all such cases the subscriber must elect, within three months from the date of completing the qualifying service, whether he will (i) subscribe in the class in which his length of service places him, or (ii) continue to subscribe in the lower class. If he elects (i) he will be charged the increased subscription from the date of completing the prescribed service; if

(ii) he will, in the event of subsequent promotion, be charged the increased subscription from the date of such promotion.

An officer cannot enter a higher class unless he has previously subscribed in the class immediately below it, nor can an officer who has elected to subscribe in a higher class be allowed subsequently to revert to a lower one.

12 Donations payable under Tables V, VI and VIII become due from the date on which the liability is incurred, namely, in the case of those under Tables V and VI when a subscriber enters the service of the Government of India married or when he marries, or re-marries, and in the case of those under Table VIII when the subscriber is admitted to the Fund. These donations may be paid without interest in one sum within one month from the date of becoming due; or they may be paid in twelve equal monthly instalments, interest on the unpaid portion being levied at the rates allowed on the balances as fixed from time to time by the Secretary of State in Council with reference to the market rates of the day. The balance of

any donation outstanding at the date of a subscriber's death will be recovered in accordance with Article 13.

12A. An officer is personally responsible for ensuring that the rates of contribution recovered are those appropriate to his domestic and service circumstances.

13. Interest will be charged on arrears at the rates allowed on the balances as fixed from time to time by the Secretary of State in Council with reference to the market rates of the day. The balance of any contribution outstanding at the date of a subscriber's death will be recovered rateably without further interest from the pensions of his widow and orphans in twelve monthly instalments.

* See Articles 20 and 21.

INDIAN MILITARY WIDOWS' AND ORPHANS' FUND—continued.

*Reports of Marriages, Births, and Deaths.**

14. An officer who is married at the date of his admission into the service must at the time of his admission report the fact of his marriage, and the names and dates of birth of his children, if any have been born to him. A member in the service must report his marriage, or the birth of a child born in wedlock, or the death of a wife or child within one month of the occurrence.

15. The birth of every child born alive must be reported; but if a child dies before it is 30 days old, no payment in respect of it will be required. If the report of birth be not made within one month, a fine of 10s. will be imposed, and an additional 2s. will be charged for each succeeding month's delay. After 12 months' delay, medical evidence as to the state of the member's health must be furnished, in order that it may be determined whether, and, if so, on what terms, liability for orphan's pension shall be accepted.

16. If the report of a marriage be not made within one month, any donation which may be payable under Tables V and VI will be increased 2½ per cent. and interest thereon charged from the date of marriage. After six months' delay donations will be increased to 5 per cent. and interest charged as above. Should no donation be payable under Tables V and VI, a fine of 10s. will be imposed if the report is not made within one month of the marriage, and an additional 2s. will be charged for each succeeding month's delay. In either case, after 12 months' delay, medical evidence as to the state of the subscriber's health must be furnished in order that it may be determined whether and, if so, on what terms, liability for widow's pension shall be accepted.

17. In the event of the report of a marriage or the birth of a child not having been made by a subscriber during his lifetime, in accordance with the rules, the widow or child will not be entitled to any benefits.

The absence of report, however, from an officer who dies between the date of his admission to the Indian Army and the date of the *Gazette of India* announcing it would not invalidate his widow's or child's claim to pension or involve the additional payments prescribed in Article 19.

Note.—The provisions of Articles 16 and 17 are not to be read as implying an option of omitting or postponing any report that a subscriber is required to make under these regulations. Intentional neglect to report is a breach of discipline.

Posthumous Child.

18. Provided the birth of a posthumous child is reported within one month and the contribution required by the regulations has been or was being paid for the father's youngest child, if any, living at the time of his death, a pension will be granted to the child without any payment if the child is born of a marriage in respect of which the prescribed payments have been made. The report should be made within 30 days, and a certificate of the child's birth should be furnished.

Duration of Pensions.

19. If a widow re-marry, her pension will cease during coverture; but if she again become a widow she will be entitled to revert to her pension as widow of her first husband. In the event of her second husband being also a subscriber, both pensions may be drawn after his death.

20. The pension of a male orphan is payable until he attains the age of 21 years.

21. In any case where it is shown—

(a) that a male orphan on attaining the age of 21 is by reason of mental or physical infirmity incapable of earning a livelihood, or

(b) that a male orphan over the age of 21 at his father's death is not then and has not been since the age of 21 capable of earning a livelihood,

the Secretary of State in Council may, at his discretion, grant to such orphan, under such conditions as he may prescribe, a pension of an amount not greater than that payable to daughters over 21 years of age.

23. The pension of a female orphan continues until her marriage, and then ceases absolutely. It does not revive on widowhood.

23A. On the termination of the marriage of a subscriber by divorce or annulment he will be liable thereafter, until re-marriage, for subscription at the unmarried rate only, together with subscriptions for children, if any.

Where the marriage has been terminated by divorce on the petition of the wife, she will be entitled, after the death of her divorced husband, to pension of half the amount applicable to his class at the date of such termination, or of the whole amount applicable to Class V at that date, whichever is greater: provided that on her re-marriage she will forfeit absolutely all claim to benefit under this Article. All such pensions will be subject to the provisions of Article 7A.

Where the marriage has been terminated by divorce on the petition of the husband, the rates of contribution required from him in each class on second marriage will be limited to those for which he became liable on his first marriage, and will not be enhanced should the second marriage take place in a higher class. He will, further, be exempt from excess age donation, but will be liable for disparity donation, if any.

In cases of annulment the subscriber may be entitled to a lump sum payment. The Secretary of State for India in Council will in each case decide whether the said payment is admissible, and, if so, its amount.

This Article will not apply in the case of marriages dissolved before 10th February, 1920.

Good Conduct.

24. The pensions provided under these Regulations shall, in all cases, be held during good behaviour only, and will be withheld if any pensioner is found to be leading an immoral life, or on proof of any gross misconduct. In

INDIAN MILITARY WIDOWS' AND ORPHANS' FUND—continued.

any such case the order of the Secretary of State for India in Council or, when the pension is being drawn in India from a Government Treasury there, the order of the Government of India shall be final and conclusive.

Alienation of Pension.

25. A pension paid under these Regulations may not be transferred or assigned or in any way alienated from the pensioner to whom or for whose benefit it is payable.

Passage Money.

26. An officer may, by a special contribution, provide passage money from India for his widow and orphans. The amount so secured will be paid to the widow, or to any children of the deceased officer, for the provision of their passage money and contingent expenses. If, however, the surviving members of the deceased officer's family are not in India, or do not wish to leave India for any other country, the money will be credited to the deceased officer's estate, and payment can be made in

India in rupees, or in England at the market rate of exchange, according to the election of the person or persons entitled to receive the money. The amount secured must not exceed Rs. 3,000, and a health certificate must in every case be furnished by the subscriber.

27. This insurance may be effected by an immediate payment in one sum, or, if the subscriber so desires it, by instalments extending over four years subject to interest on arrears at the rates allowed on the balances as fixed from time to time by the Secretary of State in Council with reference to the market rates of the day, and in the event of a subscriber dying before completion of the payment, the balance due at the date of his death will be deducted from the sum assured.

28. A subscriber may at any time take the Surrender Value of his insurance effected under Article 26.

29. The following are the tables of premia and of surrender values referred to in Articles 26, 27 and 28:—

INDIAN MILITARY WIDOWS' AND ORPHANS' FUND—continued.

Officers transferred to the British Army and Officers who resign.

30. Officers who may be transferred from the Indian Army to the British Army, except those transferred to the Royal Corps of Signals as provided in Article 33, and officers of the Indian Medical Service who may be transferred to the Royal Army Medical Corps, officers who resign and officers who retire from the Service without a pension are not permitted to remain subscribers. Married officers and widowers with children will be entitled to receive back the portion, if any, of the contributions paid in respect of their living dependants entitled to contingent pensions which is in excess of the risk borne in respect of those dependants. No refund will be made in respect of unmarried subscriptions or of risks which have terminated by death or otherwise.

As an exception to this rule, an officer who is granted a compassionate allowance on resigning the Service may continue to subscribe at the half rate of subscription.

Officers on the Temporary Non-effective List.

31. Married officers on the temporary non-effective list must continue to subscribe for full benefits, but while in receipt of temporary invalid pension, they will have the option of paying only half rates for their wives. In the latter case they will, on retirement, or reversion to full-pay, be required to pay arrears, with interest; and, in the event of the death of a subscriber while on the temporary non-effective list, or before the arrears have been paid, the amount due will be recovered from the pension granted to the widow. Unmarried officers must continue to subscribe at the half-rate of subscription.*

Retired Officers.

32. All officers, whether married or unmarried, who retire from the Service on a pension must continue to subscribe paying the half-rate of subscription according to their class at the date of retirement. For children the full rate of subscription will be payable.

Any donation for which a retired officer may become liable will be payable at the full rates laid down in Article 11 for all subscribers.

Refunds on Account of Deceased Unmarried Subscribers.

33. The whole of the subscription which has been paid by an officer who has remained unmarried up to the date of his death will be refunded, without interest, to his estate.

In the case of an officer who at his death was subscribing as a widower without surviving children eligible for pension, the subscriptions paid by him for the period during which he so subscribed, excluding any such period prior to a re-marriage, will be refunded, without interest, to his estate.

Dismissed Officers.

34. An officer who is dismissed the Service by sentence of a court-martial, or by other competent authority, will cease, *ipso facto*, to be a contributor to this Fund, and will have no claim to any refund. His family will not be entitled to any pensions from this Fund.

Declarations.

35. Declarations as to continued widowhood and the survival of children must be furnished to the Accountant-General, India Office, or to the proper officer in India.

Officers of Special Classes.

Officers of the classes named in Article 3 have the option of subscribing under these Regulations in accordance with special conditions which are laid down in the Regulations.

Reports and applications under these Regulations should be made :—

1. To the Controller of Army Factory Accounts, Calcutta, when the subscriber is drawing pay or pension in India or at a colonial station (including China) where a unit of the Indian Army is stationed.

2. To the Controller of Pension Funds, India Office, Whitehall, London, S.W. 1, if the subscriber is drawing his pay or pension elsewhere than above, or if the subscriber, after receiving in India or at a colonial station in advance the pay for the privilege leave portion of combined leave, proposes to draw his furlough pay elsewhere.

A complete copy of the regulations can be obtained on application to the Controller of Pension Funds, India Office.

INDIA OFFICE,
January, 1935.

* This regulation applies also to Executive and Engineer Officers of the Royal Indian Navy who are temporarily transferred to the Retired list.

DEPARTMENTAL OFFICERS WITH COMMISSIONED RANK WARRANT OFFICERS OF DEPARTMENTS, AND ASSISTANT SURGEONS. INDIAN MEDICAL DEPARTMENT.

The grades and ranks of Commissioned Officers of Departments in India, as amended by Royal Warrants dated 2nd January, 1904, 21st September, 1917, 12th November, 1927, and 28th August, 1929, are as follows:—

<i>Grades.</i>	<i>Rank.</i>
Commissary or Mechanist Officer	Lieutenant-Colonel or Major.
Deputy Commissary or Mechanist Officer	Captain.
Assistant Commissary or Mechanist Officer	Lieutenant.

Leave Rules.

A departmental officer, warrant officer, senior assistant-surgeon, or assistant-surgeon, Indian Medical Department, subject to these rules may be granted—

- (a) Privilege leave under such regulations as may from time to time be in force.
- (b) Leave in or out of India may be granted at any time at the discretion of the sanctioning authority on such rates of leave pay as may be prescribed under regulations.

Extensions of leave in or out of India up to two years' absence from duty may be granted on medical certificate or on urgent grounds, at the discretion of the sanctioning authority.

Extensions beyond two years' absence from duty will only be admissible in very special cases, and without pay.

A departmental officer, warrant officer, senior assistant-surgeon, or an assistant-surgeon, Indian Medical Department, unable on account of ill-health to return to his duty within the maximum period of two years' absence will, unless specially granted leave without pay, be placed on temporary half-pay, or on the retired list, according to the circumstances of his case. An undue amount of leave, whether in or out of India, on account of ill-health will likewise render an officer liable to be transferred to half-pay or to the retired list, and the power of such transfer will be exercised by the Government of India or the Secretary of State for India, as the case may be.

Combined Leave.

Combined leave is admissible to departmental officers and warrant officers including members of the Assistant Surgeon Branch of the Indian Medical Department, under rules similar to those governing the grant of combined leave to commissioned officers. During such leave they receive full emoluments for the period which is on privilege leave, and for the remaining period ordinary leave pay.

Pension Regulations.

The conditions governing the grant of pensions to Departmental Officers and Warrant Officers of the India Unattached List and Assistant Surgeons of the I.M.D., are laid down in Pension Regulations for the Army in India.

8. Retirement is compulsory for all classes at the age of 52 years.

9. A retired Warrant Officer may be allowed to commute a portion, not exceeding one-third, of his pension, provided that the amount left

10. Pensions are admissible to the widows and children of Departmental Officers (including

Senior Assistant Surgeons of the Indian Medical Department) and of Departmental Warrant Officers (including Assistant Surgeons of the Indian Medical Department) who may die, either while in the service or on the Pension establishment, provided, in the latter case, that the widow married the deceased previously to his retiring from the army or being invalided.

REPORTS OF CASUALTIES AMONG OFFICERS SERVING IN INDIA.

A telegraphic report is immediately sent from India on the death of any officer serving in that country. In the case of officers of the British Service, the report is sent to the War Office; in

the case of officers of the Indian Army, the report is made to the India Office. The next-of-kin in this country is communicated with by the Department which receives the report.

ENQUIRIES REGARDING OFFICERS AND MEN KILLED, WOUNDED, OR SICK IN INDIA.

The following arrangements have been made with the Government of India with a view to securing early information for the relatives and friends of British officers and men killed or wounded in India:—

The Government of India will—

- (1) Telegraph, as promptly as possible, the names of officers and men killed or wounded in action, or in the performance of duty, or of those who may become seriously or dangerously ill, and will furnish weekly progress reports on dangerous cases.
- (2) Specify as to wounds whether they are dangerous, severe, or slight.
- (3) Telegraph the names of any officers or men who may die of wounds.
- (4) During a campaign, telegraph weekly a brief report of the condition of the wounded generally, specifying the names of any who may not be progressing favourably.

SELECTIONS FROM THE REGULATIONS FOR THE ROYAL INDIAN NAVY.

Leave.

Subject to the exigencies of the Service, officers of the Royal Indian Navy may be granted :—

- (1) Privilege leave, under such regulations as may from time to time be in force.
- (2) Leave in or out of India, at the discretion of the authorities, for not more than one year, in the first instance.

Leave is admissible to the Flag Officer Commanding, and Chief of Staff to the Flag Officer Commanding under the rules applying from time to time to military officers holding

commands and staff appointments of limited tenure.

Leave in or out of India other than privilege or temporary leave.

During leave out of India other than privilege or temporary leave, European grade pay at the rates shown on pages 341 and 342, will be drawn, whether an officer holds a shore appointment or not.

During leave in India other than privilege or temporary leave, Indian grade pay, at the rates shown on pages 341 and 342, will be drawn.

Passages.

Passages are admissible for officers of the Royal Indian Navy and their families under

conditions similar to those applicable to the Indian Army, see p. 492C.

Temporary Retirement.

Officers of the Royal Indian Navy, who, after exhausting the furlough admissible to them are unfit for service, but not irremediably broken in health, may be temporarily transferred to the retired list. Temporary retirement is subject to the condition that the disease which necessitates it must have been contracted in and by the service.

I. An officer granted temporary retirement will be permitted to remain in that position till his total continuous absence from duty on furlough and temporary retirement together amounts to four years. If then still unfit to return to duty, he must be placed on the permanent retired list, receiving the pension (if any) or gratuity for which he had qualified at the time of being granted temporary retirement.

II. No period spent on temporary retirement will count as service for pension, nor will an officer be eligible for promotion while he is in that position. An officer replaced on the effective list, on becoming fit to return to duty, will be restored to the rank from which he retired, and his name will be placed in the same

numerical position in that rank which it occupied at the time of temporary retirement. When he returns to duty, the date of his arrival in India will be reckoned as that of his restoration to the active list.

III. Officers will be required to appear before a Medical Board at the expiration of one year on temporary retirement, and again, if retained in that position, before the end of the second year; and those who, in view of being restored to the effective list, may wish to appear before the Board at other times than those specified, may be permitted to do so. Officers ordered periodically to appear before the Board will be allowed, in the United Kingdom, their *bona fide* travelling expenses, and lodging allowance at the rates admissible under rule, but those appearing at other times, and at their own wish, must do so at their own expense.

IV. The rate of pension admissible to an officer during temporary retirement will be the same as that to which he would be entitled if permanently retired.

I. The service for pension of an officer of the Royal Indian Navy reckons from the date of his arrival in India if his appointment was confirmed in England, and from the date of joining for duty if it was made subject to a report of fitness by a medical board in India, provided that in either case he had attained the age of 19 on the date mentioned, otherwise his service reckons from the date on which he attained that age. Officers appointed since the 1st April, 1928, are allowed to count service for pension from the date of appointment to commissioned rank.

II. A superannuation pension or an invalid pension granted on account of incapacity for further service due to old age or natural decay from advancing years, shall, if the officer's qualifying service began after he attained the age of 30 years be reduced by one-fortieth for every year or part of a year by which his age at the commencement of his qualifying service exceeded 30 years.

III. Retirement at the age of 55 years will be compulsory. But an officer holding the appointment of F.O.C., Chief of the Staff, or Engineer Manager of the Dockyard, who attains that age during his incumbency, may, with the approval of the Government of India, complete three to five years in the case of the first-mentioned appointment, and four years in the case of the latter two appointments. The amount of superannuation pension is that admissible as an invalid pension in the case of officers superannuated with service up to 20 years. If superannuated after 20 years' service, retiring pensions according to length of service and rank, will be admissible.

The retirement of Royal Indian Navy Officers while on furlough or on leave in England will be carried out by the Secretary of State.

IV. (1) Service Pensions will consist of two parts (a) a service element, based on total service for pension and (b) a rank element beginning from the rank of Commander or Engineer Commander.

(2) Extra pensions on the undermentioned scale are admissible to the officers of the Royal Indian Navy if retired as Flag Officer Commanding, or Chief of the Staff or Engineer Captain on the Staff:—

	Per annum
(i) For three to five years' continuous service as Flag Officer Commanding ...	£ 175
(ii) For four years' continuous service as Chief of the Staff ...	88
(iii) For four years' continuous service as Engineer Captain on the Staff ...	83
(iv) For three to five years' continuous service partly as Chief of the Staff and partly as Flag Officer Commanding as shown below:—	
(a) For time served as Chief of the Staff at £22 per annum.	
(b) For time served as Flag Officer Commanding at £44 per annum.	

The amount is subject to a maximum of £175 per annum for the combined service.

The above periods are inclusive of leave admissible under the army staff leave rules.

(3) All pensions are sterling pensions, and are convertible in India at the official rate of exchange.

(4) These rates of pension have effect as from 1st April, 1919, and are admissible to all regular officers who, being otherwise entitled, have rendered satisfactory paid service (military, naval or marine) during the Great War, including officers who, having retired on pension before the war, have been re-employed as officers during the war, and have thereafter reverted to retirement.

(5) Temporary rank (including paid acting rank) held during the Great War, followed by substantive promotion to that rank, will count as service in the rank towards pension. Service as an Engineer apprentice does not count for pension.

(6) These rates are subject to alteration on account of a rise or fall in the cost of living as compared with the year 1919, to an extent not exceeding 20% in all. During the past year a reduction of $7\frac{1}{2}$ per cent. was made on this account.

(7) "Rank" in these regulations means substantive rank except where otherwise stated.

(8) Revised rates of invalid pension and rates of unemployed pay are under consideration.

V. Service in the Marine Survey, or in port or shore appointments, gives no claim to any higher pension than that fixed for an officer's rank in the Navy.

VI. The pensions of warrant officers, viz. European Boatswains and Indian Boatswains.

Warrant Writers and Writers who were in the service prior to the 1st April, 1928, and did not elect the Marine Pension rules, will be calculated under the C.S.R. In the case of European Boatswains, Warrant Writers and Writers, Rs. 90 per mensem on account of compensation in lieu of rations, &c., will be added to their pay for the purpose of calculating their pensions. This also applies in the case of Boatswains holding shore appointments.

Wound, injury and family pensions of warrant officers, viz., European Boatswains and Indian Boatswains, Warrant Writers and Writers who were in service prior to the 1st April, 1928, and did not elect the Marine Pension Rules, will be determined in accordance with the rule in Article 740, C.S.R., *et seq.* In the case of European warrant officers "pay" for this purpose should be calculated as in paragraph 378, *i.e.*, Rs. 90 per mensem will be added to their pay of grade.

The pension rules for warrant officers, writers and ratings are laid down in paragraph 397, *et seq.*, of Pay and Allowance Regulations for the Royal Indian Marine, Vol. 1.

VII. An officer may be allowed to commute a portion, not exceeding one-half, of his pension, the commuted value being payable under rules which are identical with those for Military Officers (*see* page 478).

VIII. Compassionate allowances on the following scale are admissible to the families of officers killed in the execution of duty* :—

	Widow.	Child.
Captain or Commander ...	£100 a year, or Rs. 100 a month.	£20 a year, or Rs. 20 a month.
Port Officer		
Engineer-Commander ...		
Lieut.-Commander and Lieutenant	£75 a year, or Rs. 75 a month.	£15 a year, or Rs. 15 a month.
Engineer-Lieut.-Commander and Engineer-Lieutenant		
Sub-Lieutenant	£50 a year, or Rs. 50 a month.	£10 a year, or Rs. 10 a month.
Engineer-Sub-Lieutenant		

The cases of the families of the Director or Deputy Director will be specially considered.

Subject to the approval of the Secretary of State, a compassionate allowance not exceeding in the aggregate the rate shown in the above table for a widow may be granted to the mother or sisters of an officer who may be drowned, or meet with a violent death, in the execution of his duty, and who does not leave a widow or

child. To be eligible for such a compassionate allowance it must be shown that the mother or sisters were dependent on the officer, and are in distressed circumstances.

IX. The regulations and conditions under which all such compassionate allowances are to be awarded will be analogous to those prescribed for the military service.

* Note—The above regulations are under revision.
